EXPERIENCE

East Liberty Tap House, Salt Lake City - *Lead Server and Bartender*

AUGUST 2020 - PRESENT

- Served guests and educated them on craft beers in a fast-paced environment
- As a lead, I made sure that the restaurant was being run properly, and ensured staff were fulfilling their duties.

Woodward Park City, Park City, UT - *Customer Service*

JANUARY 2021 - MARCH 2022

- Helped with guest ticket sales and customer satisfaction at a high-volume action sports facility.

EDUCATION

Professional Education Bootcamps UofU, Salt Lake City- *Coding Bootcamp- Full Stack Developer Certificate*

OCTOBER 2021 - APRIL 2022

Encountered nearly 2 dozen technologies and worked with a team of fellow developers to create three web applications from scratch.

University of Utah, Salt Lake City- *B.S. Geography, emphasis in Geographic Information Systems(GIS); B.S. Environmental and Sustainability Studies, emphasis in Air, Water, and Health*

AUGUST 2016 - MAY 2020

Obtained a certificate in Geographic Information Systems (GIS). Gained Research experience in the geography and geology departments at the University of Utah. Maintained a GPA between 3.5 and 4.0 throughout my college career. This allowed for me to be on the dean's list every semester while obtaining my bachelor's degree.
